

Dear NVMS member, 🌸📬

With spring in full swing, we are sharing fresh updates from the Dutch mass spectrometry community and a look at what's coming up next.

Enjoy reading!

NVMS Spring Meeting, May 26th in Amsterdam: Do not forget to register!

The NVMS Spring Meeting will take place on Monday 26th of May, 2025 at Sanquin Research in Amsterdam. In addition to a series of interesting oral and poster presentations, the NVMS General Assembly will be part of the programme.

Register through this [website](#). Please note that seating is limited, so secure your spot soon! Don't miss this opportunity to connect with colleagues and friends and to share and explore the latest mass spectrometry research in the Netherlands. We are looking forward to seeing you there!

Reflecting on an insightful YoungNVMS Winter activity

In February, the YoungNVMS kicked off the year with their winter activity: "Presenting with Impact" led by Mariska Wessel. From breathing techniques to mastering the 5 P's — Planning, Preparation, Practice, Performance, and Passion — we explored how to genuinely connect with the audience and present science with confidence and clarity. **Stay tuned: [LinkedIn](#), and don't miss out on our next activity!**

The YoungNVMS offers a platform for emerging mass spectrometrists to connect and exchange ideas with peers. We organize events throughout the year, making it easy to network and form new friendships. **Register [here](#) to become a member of the YoungNVMS community!**

YoungNVMS goes international!

And now... we're going international! **Get ready for the first-ever Young International Mass Spectrometry event** — an exciting online meeting featuring engaging presentations from young scientists. This new initiative aims to connect and grow the mass spec network across borders. More information coming soon on our [LinkedIn](#) page!

Congrats to the NVMS Conference Fund Awardees!

We are pleased to announce that the NVMS continues to support talented researchers by enabling them to share their work at international conferences, a great boost for their careers and for the Dutch Mass Spectrometry community! **Congratulations to our most recent awardees: [Kevin Hooijschuur](#), Utrecht University, [Raya \(Arta\) Sadighi](#), Vrije Universiteit Amsterdam, [Laura Finazzi](#), Radboud University, [Kimberly Garcia](#), M4I, Maastricht University, and [Kas Houthuijs](#), Vrije Universiteit Amsterdam.**

A sincere and special thanks to our sponsors MSVision, MSWil, dsm-firmenich, Waters, Shimadzu, and Bruker, for supporting the NVMS Conference Fund! The NVMS Conference Fund supports early-career NVMS members from Dutch research institutions by helping cover the costs of active participation in international conferences, workshops, or schools. **The next application deadline 2026: Feb 1st 2026.** For details on eligibility, selection criteria and how to apply, please visit: [NVMS Conference Fund](#) We look forward to receiving your applications!

NVMS now on BlueSky

The NVMS and YoungNVMS have decided to pause posting on their X accounts, due to the rise of disinformation, fake accounts, and online harassment on the platform X. Our past tweets will remain accessible, but we encourage you to follow us on [LinkedIn](#) and now also on [BlueSky](#) for updates and engagement instead!

Thanks to our current sponsors: [MSVision](#), [MSWil](#), [dsm-firmenich](#), [Waters](#), [Shimadzu](#) and [Bruker](#)!

Would you like to become a sponsor too? Please have a look at our [website](#) or contact Bram Snijders at treasurer@nvms.nl.

Looking for a mass spec expert?

Advertise your open positions on the NVMS website. Simply send your advert to: info@nvms.nl

Upcoming Workshops, Symposia and Conferences (2025)

May 26	NVMS Spring Meeting , Amsterdam, The Netherlands
Jun 1–5	ASMS , Baltimore, Maryland/USA
Jun 15–19	HPLC , Bruges, Belgium
Jun 16–20	EUPA , Saint-Malo, France
Jul 6–11	MSBM summer school , Dubrovnik, Croatia
Jul 20–23	Advancing Mass Spectrometry , Atlanta, USA
Aug 25–29	BePA Proteomics Summer School , Ghent, Belgium
Aug 26–28	3rd International Top-Down Proteomics Symposium , Hamburg, Germany
Aug 31–Sep 4	Euroanalysis , Barcelona, Spain
Sept 21–26	7th International Mass Spectrometry School , Vorau, Austria
Sept 21–26	MSACL , Montréal, Canada
Sept 23–26	Mass Spectrometry in the Biotechnology Industry , Costa Mesa, CA, US
Oct 1–3	Mass Spectrometry and Microscopy , Utrecht, The Netherlands
Nov 9–13	HUPO , Toronto, Canada
Nov 11–13	PEGS Europe , Lisbon, Portugal
Dec 3–6	Lake Louise Tandem-MS workshop , Alberta, Canada

Best wishes,

Martin Pabst (PR), Berta Cillero Pastor (Secretary)

On behalf of the Dutch Society for Mass Spectrometry
